

WHOSE DOOR COULD YOU BE KNOCKING ON?

TRICK OR TREATING MAY SEEM LIKE HARMLESS FUN...

...but it can be terrifying for elderly or vulnerable people.

ALWAYS STICK TOGETHER...

...and only knock on the doors of people you know and who welcome trick-or-treaters.

FAMILIES WITH CHILDREN MAY NOT WELCOME TRICK-OR-TREATERS...

...late in the evening when their children are in bed.

TRICK-OR-TREATING IS MEANT TO BE A BIT OF FUN FOR CHILDREN...

...and not meant to cause harm or distress to anyone. **Take it too far and you could end up with an £80 fine or a night in the cells.**
