2.1 Legally Compliant Yes ? No

2.2 Sound Yes  No NO

**Please read the Guidance Note for guidance on legal compliance and soundness.**

**If you have ticked no to 2.1, please continue to Q4.**

**If you have ticked no to 2.2, please continue to Q3.**

**If you have ticked yes to 2.1 and 2.2 please go to Q7.**

### 3. Do you consider the Amendment(s) to the Adur Local Plan to be unsound because it is not: (tick as appropriate)

3.1 Positively Prepared

3.2 Justified

3.3 Effective NO

3.4 Consistent with National Policy

4. **If you consider the Amendment(s) to the Adur Local Plan to be unsound or not legally compliant, please explain why in the box below:**

**With reference to New Monks Farm being placed within the Adur Local Plan I would request that section 2.51 page 34 be withdrawn from the plan.**

**Although not mentioning it, the access for the first phase of 250 dwellings could only be through the Mash Barn Estate.**

**The estate is served by 2 roads leading onto the A 2025 Grinstead Lane namely Mash Barn Lane and Curvins Way.**

**At present, at peak times, Grinstead Lane going North is gridlocked with traffic queueing to join the A27 Manor roundabout. Traffic leaving the A27 to go South from the roundabout is also travelling at usually more than the 30 mile limit making it dangerous to turn right from Curvins Way into Grinstead Lane and onto the A27.**

**My objection is to the soundness of adding quite possibly an extra 100/150 cars at peak times to an already gridlocked road. The roads nearest to the New Monks Farm site would lead to Curvins Way, a road approx 160 meters in length. This often has cars/vans queueing to join Grinstead Lane. This will cause some to attempt to leave by Mash Barn Lane bringing more traffic as it winds it's way through the Estate. So to sum up amendment 2.51 should be withdrawn from the plan and the New Monks Farm development should only be built with the correct infrastructure in place and the proposed roundabout on the A27 is completed.**

(Continue on a separate sheet if necessary)

**5. Please explain in the box below what change(s) you consider**

**necessary to make the Amendment(s) to the Adur Local Plan legally compliant and sound having regard to the reason you identified above.**

**(You will need to say why this change will make it legally compliant or sound. It will be helpful if you are able to put forward your suggested or revised wording. Please be as precise as possible).**

**A27 Roundabout and infrastructure to be in place.**

(Continue on separate sheet if necessary)
