Dear Sir

I refer to your email of 29 March 2016 inviting Historic England to comment on the above consultation document.

While Historic England does not have an objection to the principle of housing development at New Monks Farm, Lancing we have previously highlighted our concern that the scheme as proposed will have harmful impacts on the setting of the WWII Trainer Drone Scheduled Monument by virtue of the positioning of a new access roundabout and road close to the designated site. Until this matter is resolved through further discussion with HE's Inspector of Ancient Monuments we will maintain our objection to allocation of this site.

Should an acceptable proposal come forward prior to or in the course of the examination of the local plan, we would be content to review our position on this matter.

Yours faithfully,

***Alan Byrne***
