## Part B – Representation

Please use separate sheets for each representation

### 1. Which Amendment(s) to the Adur Local Plan does this representation relate to?

Amendments relating to:

Policy No.	<input type="text" value="6"/>	Paragraph No.	<input type="text"/>
Map	<input type="text" value="West sompting allocation"/>	Other section (please specify)	<input type="text" value="Playing pitches"/>

### 2. Do you consider the Amendment(s) to be: (tick as appropriate)

2.1 Legally Compliant    Yes                       No

2.2 Sound                      Yes                       No

Please read the Guidance Note for guidance on legal compliance and soundness.

If you have ticked no to 2.1, please continue to Q4.

If you have ticked no to 2.2, please continue to Q3.

If you have ticked yes to 2.1 and 2.2 please go to Q7.

### 3. Do you consider the Amendment(s) to the Adur Local Plan to be unsound because it is not: (tick as appropriate)

3.1 Positively Prepared

3.2 Justified

3.3 Effective

3.4 Consistent with National Policy

### 4. If you consider the Amendment(s) to the Adur Local Plan to be unsound or not legally compliant, please explain why in the box

**below:**

**The playing pitches are referred to in the policy but not shown on the west sompting allocation map. This is an inconsistency and may mean the policy is unsound.**

**The Parish Council is not against some form of recreational provision relative to the size of the proposed house number allocation. This has not been soundly demonstrated in the supporting text of policy 6 that meeting the shortfall in sports provision serving the needs of the entire district, would be best located in the West Sompting allocation. We believe there would be adequate sports provision to serve the needs of Sompting in the existing pitches on Sompting Recreation Ground and in the 3G pitch at Roberts Woodard Academy.**

**It has not been soundly demonstrated either in the supporting text or the actual wording of the amended policy 6 that the impacts from the sports pitches have been adequately addressed through the provision of mitigation measures subject to permission being granted (i.e. traffic, noise, and light pollution measures). This may mean the policy is unsound.**

**It has not been soundly demonstrated in the supporting text that adequate assessment and/or reference has been made to the implications on the Sompting Gap designation by the amendment to include the sports pitches**

(Continue on a separate sheet if necessary)

**5. Please explain in the box below what change(s) you consider**

**necessary to make the Amendment(s) to the Adur Local Plan legally compliant and sound having regard to the reason you identified above.**

**(You will need to say why this change will make it legally compliant or sound. It will be helpful if you are able to put forward your suggested or revised wording. Please be as precise as possible).**

**The allocation map should show where the pitches are to be placed and clarification on the impact of the pitches should be addressed. Also a clear statement should be inserted as to why Sompting has been chosen as the location when comparing the population size of sompting to other areas of the district.**

(Continue on separate sheet if necessary)

**6. If your representation concerns soundness or legal compliance and is seeking a change, do you consider it necessary to attend and give evidence at the hearing part of the examination? (tick as appropriate)**

**No**, I wish to communicate through written representations

**Yes**, I wish to speak to the Inspector at the hearing sessions

**Please note:** The Inspector will determine the most appropriate procedure to hear those who have indicated that they wish to participate at the hearing part of the examination.

**7. If you wish to participate at the hearing part of the examination, please outline why you consider this to be necessary.**

**8. Please tick if you do not wish to be informed of the following:**

When the Plan has been submitted for Examination

When the recommendations from the Examination have been  
Published

When the Local Plan has been adopted

**What happens next?**

Representations made to the Council will be passed to the Inspector for consideration.

Once this has happened, the Inspector will commence the examination and give notice of the start of the hearing sessions.

Interested parties will be informed of the start date of the hearing sessions and the matters to be considered.

**Thank you for your representation.**
