3.2 Justified

3.3 Effective

3.4 Consistent with National Policy

**4. If you consider the Adur Local Plan to be unsound or not legally compliant, please explain why in the box below:**

**With the obvious community resistance to development on the flood plain, particularly at New Monks Farm and the north eastern corner of the airport, I feel that the results of the CH2MHill hydrographical study must be considered before there is any further progress with the plan as it stands.**

(Continue on a separate sheet if necessary)

**5. Please explain in the box below what change(s) you consider necessary to make the Adur Local Plan legally compliant and sound having regard to the reason you identified above.**

**(You will need to say why this change will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested or revised wording of any policy or supporting text. Please be as precise as possible).**

**Currently, the scientific evidence underpinning the assumptions that New Monks Farm land is suitable for building on is incomplete.**

**That is why the CH2MHill hydrographical study is being undertaken.**

**I believe we should await the outcome of that study before progressing the Adur Local Plan further.**

(Continue on separate sheet if necessary)

**6. If your representation concerns soundness or legal compliance and is seeking a change, do you consider it necessary to attend and give evidence at the hearing part of the examination? (tick as appropriate)**

**No**, I wish to communicate through written representations

**Yes**, I wish to speak to the Inspector at the hearing sessions

**Please note:** The Inspector will determine the most appropriate procedure to hear those who have indicated that they wish to participate at the hearing part of the examination.

**7. If you wish to participate at the hearing part of the examination, please outline why you consider this to be necessary.**

**To represent the widespread views of my constituents in a formal setting**

**8. Please tick if you do not wish to be informed of the following:**

When the Plan has been submitted for Examination

When the recommendations from the Examination have been Published

When the Local Plan has been adopted

**What happens next?**

Representations made to the Council will be passed to the Inspector for consideration.

Once this has happened, the Inspector will commence the examination and give notice of the start of the hearing sessions.

Interested parties will be informed of the start date of the hearing sessions and the matters to be considered.

**Thank you for making representations.**
