

Day 2 Issue 5

Can the Council agree a common position with Turleys and Sussex Wildlife Trust to agree revised wording to Policy 6 relating to SNCI and up to date ecological information necessary to support the forthcoming planning application.

The following proposed changes have been agreed with Turleys and the Sussex Wildlife Trust:

(Deleted text is shown as ~~struck through~~ and additional text shown **in bold and underlined.**)

Policy 6: Land at West Sompting

...

The development must safeguard ~~and~~ enhance, **and seek the extension of** the Cokeham Brooks Site of Nature Conservation Importance”...

...

- A site wide landscape and ecological management plan **that is informed by up to date ecological information** to be produced and implemented to the satisfaction of the local planning authority to ensure the long-term maintenance of retained and newly created on-site habitats.

...
