

# Adur Community Grants

April 2020

---

## Funding Priorities:

1. COVID-19 support
  2. Specific geographical areas,
  3. Encouraging healthier lifestyles,
  4. Young adults,
  5. Older residents and,
  6. Our most vulnerable.
- 

The Adur Community Grants are designed to improve the communities of the district and wellbeing of the residents.

**The current main priority for this fund is to support not-for-profit groups who are supporting residents during the COVID-19 pandemic.**

**Please get in touch if your funding needs are urgent, on the contact details below.**

The usual priorities for this fund are outlined below and other groups are welcome to submit an application.

\*\*\*\*\*

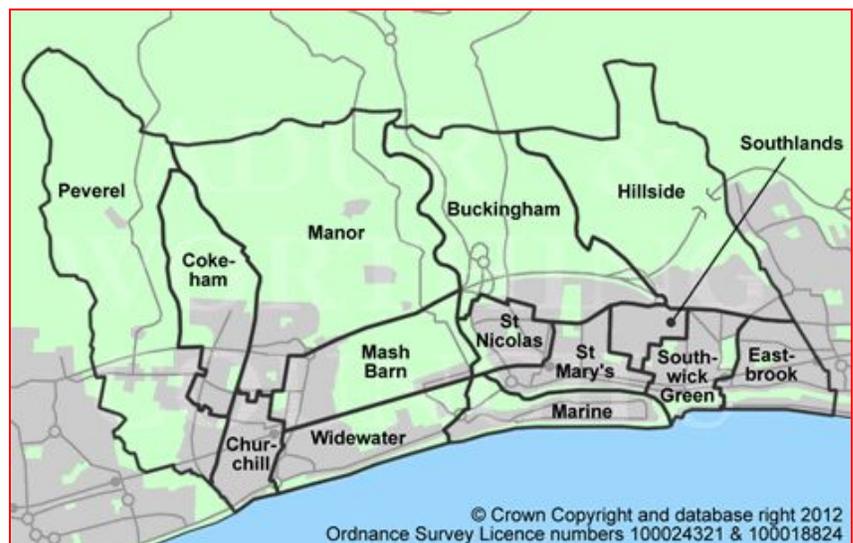

In December 2019, Adur District Council launched [Platforms for our Places - Going Further 2020-22](#) which outlines the key priorities over the coming years. Please review this and how your project might support these.

Additionally, we are seeking projects that address a set of five clear areas which we've evidenced as priorities, challenges or support gaps in the Adur area.

These five priorities for Adur are:

### 1. SPECIFIC GEOGRAPHICAL AREAS

Churchill and Southlands.

## **2. ENCOURAGING HEALTHIER LIFESTYLES**

Specifically, healthy relationships, food choices and increased activity for both children and adults;

Supporting adults at risk of diabetes and alcohol abuse;

Helping adults who are trying to get back into work;

Reducing risks of using social media for children.

## **3. MAINTAINING FOCUS ON OUR YOUNG ADULTS**

Encouraging new skills, activities or interests that keep teenagers safe, fit and healthy;

Supporting healthy relationships and sexual health;

Reducing risky behaviours associated with drugs or alcohol;

Highlighting the danger of carrying weapons;

Help for looked after children or care-leavers.

## **4. SUPPORTING OUR OLDER RESIDENTS**

Reducing risks of fractures;

Improving digital skills;

Minimising the number of road accidents.

## **5. AN EXTRA HAND FOR OUR MORE VULNERABLE**

Supporting our street and homeless communities;

Helping those who self-harm;

Loneliness, of all age groups.

## **GOT A QUESTION...?**
