

Dear Sir/Madam

Paying your Council Tax by Direct Debit

Over the years Adur District Council has invested heavily in customer services and offers various ways that Council Tax payments can be made, with Direct Debit being our preferred method.

More than 28,000 customers already enjoy the advantages of paying by Direct Debit which include

- Safety and security – the Direct Debit guarantee protects you if anything should go wrong
- Convenience – once you have returned your Direct Debit mandate the money comes out of your account regularly without you having to do anything
- No queuing to make a payment
- No more writing cheques or postage costs
- Monthly payment options with four dates available on the 1st, 8th, 15th or 25th of each month
- No late or missed payments

If you would like to join the majority of customers and pay by Direct Debit please telephone the Customer Service Team on 01273 263111 or complete the form on the reverse of this letter (ensuring that you include your eight-digit account number that's shown on your Council Tax bill) and return it to us. We will aim to process your request within one month of receiving your form.

Once we have set up your Direct Debit we will write to you confirming that this has been done, but until you receive confirmation please continue to pay the Council Tax instalments that are shown on your bill by another method.

If you do not wish to pay by Direct Debit, you can also pay by PayPoint at many local shops using the PayPoint barcode that's on your Council Tax bill. A list of your nearest PayPoint outlets can be found at www.paypoint.co.uk/locator.

If you have any questions about ways to pay your Council Tax please call the Customer Service Team on 01273 263111.

Yours faithfully
