Hello

We are submitting our comment this way as the representation form did not seem to have a corresponding area.

These comments relate to MM1; 2; 8; 13; 21; 30; 33; 34 and associated MIN12; 28; 34;36; 64; 65 and 66. We are glad to see that the content of these has increased the level of housing and provides more certainty relating to them by the removal of words such as approximately. We support the acknowledgement of working with neighbouring authorities to address unmet needs and review of the plan within the first part of the plan period. We will continue to offer support through working via existing partnerships and regular meetings that exist.

Kind Regards

Local Plans team
