Dear Ben

ADUR LOCAL PLAN MAIN MODIFICATIONS CONSULTATION**Planning and Compulsory Purchase Act 2004 Town and Country Planning (Local Planning) (England) Regulations 2012****Highways England ref: #3017**Thank you for your consultation correspondence of 14th June regarding the Adur Local Plan Main Modifications Consultation.

Highways England has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and as such Highways England works to ensure that it operates and is

managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity. Highways England will be concerned with proposals and policy documents that have the potential to impact on the safe and efficient operation of the SRN, in this case the A27 which runs through Adur district.

Highways England have worked with your Adur colleagues on your emerging Local Plan and I am pleased to advise that we have reached a formal agreement and have signed up to a Statement of Common Ground which will be presented as evidence to the inspector. Our position has not changed since signing the Statement of Common Ground but you will need to be aware that we have recently started our public consultation on our RIS scheme the A27 Worthing and Lancing Improvements. Your council is of course a statutory consultee and Adur colleagues should have all of the necessary information. If this is not the case please contact me again and I will ensure that you are sent the relevant documents.

I trust that the above of assistance and thank you for our continued involvement in your councils Local Plan.

Kind regards

David
