Dear Sir/Madam

As a partner in the preparation of the Shoreham Harbour Joint Area Action Plan (JAAP) we continue to support its approach to identify a set of realistic, deliverable, locally supported and sustainable proposals for Shoreham Harbour and to manage the impacts of development over time.

The County Council will continue to work with Adur District Council and Brighton & Hove City Council, as well as the Shoreham Port Authority to move the plan forward to adoption.

Kind regards

Caroline West
