2017 - 0601	06	Policy SH10	MIN72	(MIN82)
2017 – 1501a	15	Whole Plan	MIN30 MIN68	MIN30
2017 – 1501h	15	Paragraph 4.7.55	MIN68	MIN78

Table 2: Schedule of Proposed Modifications CSD01-02

Incorrect Minor Modification No:	Correct Minor Modification No:	Reference: (Paragraph, policy or map number)	Amendment: (Amendments are shown in red text. Deleted text shown as struck through and additional text shown as underlined)	Reason(s) for amendment (Please note that references to representations refer to those received in response to the Proposed Submission Shoreham Harbour Joint Area Action Plan (2017) unless otherwise stated).
MIN80 (second)	MIN81	Para 5.1.20	The following items of infrastructure are typically likely to be requirements for major developments within the allocated sites: <ul style="list-style-type: none"> Contributions to public transport and highway network improvements Upgraded flood defences integrated with public waterfront walking / cycle route (where appropriate – particularly Western Harbour Arm Waterfront 	To address an issue raised by Sussex Wildlife Trust (Representation: JAAP 2017-1015). The consultee does not suggest that the plan is unsound. However, the proposed amendment clarifies the requirement for development to contribute towards green infrastructure provision.

			<p>sites) • Contributions to social infrastructure • Contributions to green infrastructure • Remediation of contaminated areas On-site renewable energy systems / low carbon technologies</p>	
MIN81	MIN82	Policy SH10 (3)	<p>Direct agreements with utility providers may be required to provide infrastructure, such as sewerage infrastructure.</p>	<p>To address a formatting error whereby the end of the sentence was omitted from the published version of the <i>Proposed Submission Joint Area Action Plan</i>. This omission was raised by Southern Water (Representation: JAAP2017-0601)</p>
