

Small Business Growth Grant: Guidance Notes

The Small Business Growth Grant is designed to improve efficiency of your business and maximise the potential for growth.

Projects could include:

- Purchase of items of equipment to improve and further develop the business
- Business related training and development
- Support the delivery of online, digital and e-commerce platforms
- Improvements to commercial premises (including signage, lighting, and all aspects of refurbishment)
- Support Covid-19 recovery

The grant made will be **50% of eligible costs** up to a maximum contribution of £2500. **Payment is exclusive of VAT** and will not be refunded.

Payment will be made to the organisation that has made the grant application and **no work should be undertaken** until written approval from the Grant Panel is received.

Payment will be retrospective. Applicants will need to ensure they have total funds available upfront and are in a position to commence the project straight away. Applicants will also be required to supply relevant paid invoices within 30 days once approved.

Grant applications will be processed on a **first come first served basis**. Only one application is allowed per funding round.

Please note that the Small Business Growth Grant would not cover or contribute to annual membership fees, single use disposable promotional items, company stock or office stationery items.
