

## Adur District Council and Worthing Borough Council Publication Scheme

As a Local Authority, we are required by law to make certain information publicly available. This is known as the Publication Scheme. We are also committed to enhancing transparency and public trust.

Below is a description of each section of the scheme and links to where the information can be found. We are using the [Information Commissioner's Model Publication Scheme](#).

The classes of information will not generally include:

- Information the disclosure of which is prevented by law, or exempt under the Freedom of Information Act, or is otherwise properly considered to be protected from disclosure.
- Information in draft form.
- Information that is no longer readily available as it is contained in files that have been placed in archive storage, or is difficult to access for similar reasons.

This page is under construction and is being continually added to.
