FAO David Attmore  
Community Infrastructure Officer  
Adur and Worthing Borough Councils

Dear Mr Attmore,

RE Worthing Community Infrastructure Levy-Revised Draft Consultation.

Thank you very much indeed for your email of 11 August inviting the Worthing Society to comment on the above consultation.

I am writing to advise you that matters relating to the Community Infrastructure Levy are somewhat outside our remit and area of expertise so we shall not be commenting on the draft. Nevertheless we welcome the fact that a Consultation is being held to examine this important area of policy for the town.

Yours faithfully,

Susan (Belton).

Mrs Susan Belton,  
Worthing Society Chair.
