

Submission Draft Worthing Local Plan (Reg 19) Number of Comments Received

Disclaimer - Not all representations explicitly express support or object so these representations have been classed as 'Neutral'. In addition, some representations partially support a policy or an allocation but request an amendment or further clarification and subsequently these representations have also been classed as 'Neutral'. Key stakeholders such as statutory consultees have been identified. Where no comments have been received against a particular policy or allocation, this has been shaded in yellow for ease of reference.
