

Adur & Worthing Safer Communities Partnership Anti-Social Behaviour (ASB) Action & Enforcement

Last updated: 9th April 2025

Freedom of Information (FOI)

FOI definition:

Freedom of Information (FOI) requests are requests for information made to 'public authorities' in the UK. The Freedom of Information Act 2000 provides public access to information held by English, Welsh, and Northern Irish public authorities. Recorded information includes printed documents, computer files, letters, emails, photographs, and sound or video recordings, published here are:

- Anti-Social Behaviour (ASB) reports
- Public Space Protection Orders (PSPOs)
- Community Protection Warnings (CPWs)
- Community Protection Notices (CPNs)
- Fixed Penalty Notices (FPNs)
- ASB Case Reviews (Anti-Social Behaviour Case Reviews) (*formerly 'Community Trigger'*)
- Breaches and Enforcement/Penalty

The Act does not give people access to their own personal data (information about themselves) such as their health records or credit reference file. If a member of the public wants to see information that a public authority holds about them, they should make a data protection subject access request.

Please note: Throughout this document, due to statutory authority reporting criteria, the quarterly figures are added once they have been agreed and can run up to one quarter behind.

Anti-Social Behaviour (ASB) - report numbers

ASB definition:

Antisocial behaviour is defined as 'conduct that has caused, or is likely to cause, harassment, alarm or distress to any person' (Antisocial Behaviour, Crime & Policing Act 2014) This definition is intentionally broad and can be seen as quite 'subjective' - but there is still a legal threshold that needs to be met for enforcement to be possible.

What the Anti-Social Behaviour Team does not investigate:

- Noise made by children playing
- Normal family lifestyles (ie talking in garden, noise from children playing or friction between day/night workers)
- Occasional events like barbecues or fireworks
- One off events like religious celebrations or weddings
- DIY work - for advice see the Adur & Worthing Councils' website [Public Health & Regulation \(Environmental Health\)](#)
- Noise from domestic appliances
- Transport noise or noisy vehicles
- Inconsiderate parking
- Disputes over property or boundaries
- Business activities associated with either commercial or private premises
- Pigeon or Gull (seagull) feeding (since 2022) - for advice see the Adur & Worthing Councils' website - [Pigeon advice](#) - [Gull \(seagull\) advice](#)
- Advice: Try speaking to your neighbour, or giving them a polite note through their letter box, advising them of how it has affected you or the community

Public Space Protection Orders (PSPOs)

PSPO definition:

Public Spaces Protection Orders (PSPOs), introduced in 2014, sit amongst a broad range of powers and tools to help tackle anti-social behaviour locally. PSPOs are aimed at ensuring public spaces can be enjoyed free from anti-social behaviour and can be used to stop a person or a group of people committing anti-social behaviour in a public place, for example in a park. They are not about stopping the responsible use of the night-time economy or preventing young people from seeing their friends - but they do provide councils with another instrument to help deal with persistent issues that are damaging communities.

Anti-Social Behaviour Offences need to:

- have had, or are likely to have, a detrimental effect on the quality of life of those in the locality;
- is, or is likely to be, persistent or continuing in nature;
- is, or is likely to be, unreasonable; and
- justifies the restrictions imposed

A&W ASB Team deals with PSPOs in **Worthing Borough ONLY** for Public Space Drinking (alcohol) - Begging and Overnight Camping. Please refer to Public Space Protection for Dog related (fouling, leads, out of control), Fly-Tipping & Littering

Community Protection Warnings (CPWs)

CPW definition:

Community Protection Warnings (CPWs) were created under the Anti-social Behaviour, Crime and Policing Act 2014. This allows a council to issue a warning letter instructing the perpetrator to stop specific behaviours by a given date. It is dependent on the evidential threshold having been met.

Community Protection Notices (CPNs)

CPN definition:

If the Council obtains evidence that the CPW has not had the desired effect, a Community Protection Notice (CPN) can be served. A notice will be considered if the behaviour is having a detrimental effect on the quality of life of those in the locality:

- Is persistent or continuing in nature, and
- Is unreasonable

The decision whether behaviour is considered as any of the above will be taken on a case by case basis.

Fixed Penalty Notices (FPNs)

FPN definition:

Fixed Penalty Notices (FPNs) have been created under the Clean Neighbourhood and Environment Act 2005 and the Anti-Social Behaviour, Crime and Policing Act 2014. Several officers will be authorised to issue a FPN on the spot. If evidence is received that a CPN is breached and an offence has been committed, the A&W ASB Team can issue a Fixed Penalty Notice for the offence or take court action. An FPN can be hand delivered, delivered by a partner agency or delivered by post. If the ASB team receives enough evidence and decides an FPN is appropriate in the circumstances we can issue FPNs for the following offences:

- Breach of Community Protection Notice
- Breach of Public Spaces Protection Order (PSPO), current PSPO

ASB Case Reviews (Anti-Social Behaviour Case Reviews)

The ASB Case Review is a process that allows residents to ask Adur & Worthing Safer Community Partnership to review their responses to complaints about anti-social behaviour. The process is designed to make sure partners work together most effectively to try and resolve any complaints about anti-social behaviour.

We will do this by:

- Talking about the problem
- Sharing information
- Using our resources to try and reach a positive outcome

The ASB Case Review should be used if you believe your complaint has not been properly looked at or no action has been taken by either Adur & Worthing Councils, Sussex Police, or a registered social landlord (RSL).

Please note: This process cannot be used to report acts of crime, including hate crime.

It is not a complaints procedure; it does not replace the complaints procedures of individual organisations or your opportunity to complain to the Local Government Ombudsman or Independent Police Complaints Commission.

Enforcement Conclusions & Frequently Asked Questions

Between 2010 - December 2021 the councils took enforcement action in 19 cases where we were able to find evidence of ASB (where PSPOs were counted once). There were other cases where the ASB team worked on and provided evidence for enforcement taken out by Sussex Police but these are not included here.

This enforcement was as follows:

Year	Q1 Apr/May/Jun	Q2 Jul/Aug/Sept	Q3 Oct/Nov/Dec	Q4 Jan/Feb/Mar	Enforcement	Year Total

Frequently Asked Questions (FAQs)

Are all ASB reports/enforcement available here?

- *There are other cases where the councils' ASB team worked on and provided evidence for enforcement taken out by Sussex Police but these are not included here.*

Why was begging and all but one unauthorised camping PSPOs removed in 2022?

- *Following the public consultation, there were several reasons for discontinuation:*
 - *In relation to begging - police powers are more robust for sustained begging issues.*
 - *In relation to unauthorised camping - there was either not enough evidence and/or public support to present to the committee for a renewal of all sites.*

Is there an average cost for carrying out an ASB Case Review?

- *Costs are met through staffing costs, no additional costs are incurred but we are considering bringing in an independent partner. Costs would be met for this through the Adur and Worthing Safer Communities Partnership.*
