Dear Mr Banks,

To support Adur Floodwatch's comments under point 3 for the above 'homework' question, this link below confirms the authority's real intent for New Monks Farm, almost to the point of predetermination.

If NMF is approved for Plan Inclusion then it should be based upon Option 2 in terms of the build out boundary line and with the noted further public consultation mentioned in our comments.

Could you kindly add this email to our 'homework' comments and confirm receipt of this email.

Kindest Regards,

Bill Freeman
