COUNCIL

Application Form Window Cleaner Badge - Adur

Please read the terms and conditions overleaf
Please complete in **BLOCK CAPITALS**

The Council recognises that window cleaners are carrying out an essential service in the Adur area. Accordingly, vehicles belonging to window cleaners actively engaged in cleaning windows will be exempt and may park for as long as necessary to carry out their duties. Civil Enforcement Officers will identify such vehicles either from their livery, or from window cleaner badges placed in the vehicles. In these circumstances, a Penalty Charge Notice will not be issued if the vehicle is parked in the following circumstances and it can be identified that cleaning of windows is taking place:

- In a limited waiting bay, or if no alternative place to park
- On single or double yellow lines where there is no loading restriction in place (shown by sign, kerb markings & yellow lines), and parked adjacent to the property

If the Civil Enforcement Officer has any doubts over whether the function of window cleaning is actually being performed, they will issue a Penalty Charge Notice. The appeals process will require you to provide evidence that you were actively engaged in this duty to ensure any Penalty Charge Notice is cancelled.

Terms and Conditions of Application

1. This badge is only issued where it is essential for a window cleaner to park close to the location of performing work-related duties, which may include parking in a Controlled Parking Zone. Any abuse of this will lead to the removal of the badge. The badge is valid in a Permit Bay, in a Pay and Display, or limited waiting bay. Where there is no availability of these bays, then you can park on single or double yellow lines where there is no loading restriction in place (shown by sign, kerb markings and yellow lines).
2. The badge does not guarantee exclusion from Penalty Charge Notices and the badge must be clearly displayed through the front windscreen at all times.
3. The vehicle must be parked in a safe and considerate manner at all times.
4. The Civil Enforcement Officer will use the badge to identify window cleaners.
5. A renewal form will be sent to the applicant in advance of the expiry date. However, it is the applicant's responsibility to ensure a new badge is obtained in good time where non-receipt of the renewal form will not excuse a Penalty Charge Notice being issued.
6. If the applicant changes their vehicle, they must ensure the Parking Services Team is informed immediately so that a new badge can be issued with the correct vehicle registration. Any defacing of the badge will render it invalid. An amended badge will not be issued until the old badge is returned. Also this badge must be returned if no longer required.
7. If the application is rejected, a copy of the form will be returned to the applicant explaining reasons for the rejection. Any appeals against this decision must be made in writing to the Principal Parking Officer. An appeal can only be made once.
