

Standards Committee – Draft Work Programme 2009/10

Report by the Executive Head of Legal and Democratic Services

1.0 Summary

1.1 This report sets out an draft programme for the Standards Committee for the period 2009/10 for inclusion with the Committee's Annual Report to Council.

2.0 Work Programme 2009/10

2.1 Under the Council's constitution the Standards Committee is charged with a number of delegated functions.

2.2 Appendix A attached, sets out a draft work programme for the committee based on its responsibilities. It is spilt into two sections, specific areas of work and general areas. The general areas are matters likely to be dependent on the work undertaken by the committee on specific topics or reliant on other events, for example a by-election.

2.3 The work programme for the forthcoming year (2009/10) will inevitably be supplemented by matters arising from the Committee's core duties and responsibilities which at this stage cannot be anticipated. For this reason, the work programme as set out should be regarded as indicative.

2.4 There is no requirement for the Committee to have a work programme however it is useful for officers to manage work loads and committee expectations for the next year if a programme of work is in place.

3.0 Legal Implications

3.1 To ensure that the legal requirements of the Code of Conduct are met alongside members being effective in their roles as elected representatives.

3.2 Sections 53 to 55 of the Act requires the Council to establish Standards Sub-Committees for the assessment and review of assessments of complaints of breaches of the Members Code of Conduct.

- 3.3 Section 54 of the Act provides that the general functions of the Standards Committee shall be:
- (a) promoting and maintaining high standards of conduct by the members and co-opted members of the authority, and
 - (b) assisting members and co-opted members of the authority to observe the authority's code of conduct.
